

Tuesday, December 2, 2014 (7:30 PM)

The diagram illustrates the layout of a component, showing the arrangement of various elements within a defined rectangular boundary. The labels and dimensions are as follows:

10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10

This section provides a detailed view of the component's internal structure, highlighting the specific placement and orientation of the various elements. The labels and dimensions are as follows:

10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10

This section shows another perspective of the component's internal layout, detailing the arrangement of the various elements. The labels and dimensions are as follows:

10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10

This section provides a further detailed view of the component's internal structure, showing the specific placement and orientation of the various elements. The labels and dimensions are as follows:

10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10

This section shows another perspective of the component's internal layout, detailing the arrangement of the various elements. The labels and dimensions are as follows:

10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10

This section provides a further detailed view of the component's internal structure, showing the specific placement and orientation of the various elements. The labels and dimensions are as follows:

10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
10	10	10	10	10	10
